

PROPOSAL FOR HOMELESS FAMILY CARE PROGRAM

Global Intercessors Family Network
Under Life Spring Dominion Church International

EXECUTIVE SUMMARY

The Global Intercessors Family Network (GIFN), operating under Life Spring Dominion Church International, hereby presents a comprehensive proposal for establishing a transformative Homeless Family Care Program. This intercommunity initiative aims to provide holistic support, restoration, and sustainable empowerment to 100 homeless families in our community.

This program aligns with our spiritual mandate to serve the most vulnerable in our society and represents a collaborative partnership approach to community development and family restoration.

1. PROGRAM OVERVIEW

Program Name: Global Intercessors Family Network Homeless Family Care Program

Lead Organization: Life Spring Dominion Church International

Program Duration: 24 months (initial phase)

Target Beneficiaries: 100 homeless families (approximately 350-450 individuals)

Geographic Focus: Intercommunity outreach across [specify region/district]

Program Start Date: [Proposed start date]

2. BACKGROUND AND NEEDS ASSESSMENT

2.1 Problem Statement

Homelessness represents one of the most pressing social crises affecting families in our community.

Beyond the lack of physical shelter, homeless families face:

- Disrupted education for children
- Limited access to healthcare and nutrition
- Breakdown of family structures and relationships
- Lack of employment opportunities and economic stability
- Social stigma and isolation

- Spiritual and emotional trauma

2.2 Organizational Capacity

Life Spring Dominion Church International, through its Global Intercessors Family Network, has:

- Established community presence and trust over [X years]
- Network of dedicated volunteers and prayer intercessors
- Existing partnerships with local organizations serving vulnerable populations
- Track record of community intervention programs
- Spiritual foundation emphasizing holistic family restoration
- Commitment to quality over quantity in community outreach

2.3 Community Assessment

Our preliminary community assessment reveals:

- Estimated [X] homeless families in the target area
 - Primary causes: economic hardship, family breakdown, displacement, unemployment
 - Limited existing support services addressing holistic family needs
 - Strong community willingness to support collaborative intervention programs
-

3. PROGRAM GOALS AND OBJECTIVES

3.1 Overall Goal

To provide comprehensive support, restoration, and sustainable empowerment to 100 homeless families, enabling them to transition from homelessness to stable, self-sufficient living through spiritual guidance, practical assistance, and community partnership.

3.2 Specific Objectives

Objective 1: Emergency Shelter and Basic Needs

- Provide immediate temporary shelter for 100 families within the first 6 months
- Ensure access to nutritious meals, clothing, and hygiene supplies for all beneficiary families
- Establish safe, dignified living conditions meeting minimum health and safety standards

Objective 2: Spiritual and Emotional Restoration

- Offer spiritual counselling and prayer support to all beneficiary families
- Conduct family restoration workshops addressing trauma, relationships, and hope-building
- Connect families with the Global Intercessors Family Network for ongoing spiritual support

Objective 3: Economic Empowerment

- Assess skills and employment readiness for 100 adult beneficiaries
- Provide vocational training and skills development for at least 70% of employable adults

- Facilitate job placement and income-generation opportunities for a minimum 60 families
- Offer financial literacy and household budgeting training

Objective 4: Education and Child Welfare

- Enrol all school-age children in formal education programs
- Provide educational materials, uniforms, and tutorial support
- Establish after-school care and mentorship programs for children

Objective 5: Healthcare Access

- Facilitate comprehensive health assessments for all beneficiary families
- Provide access to medical treatment, mental health services, and preventive care
- Establish health education programs addressing nutrition, hygiene, and wellness

Objective 6: Sustainable Housing Transition

- Develop individualized housing transition plans for each family
 - Partner with housing providers and government agencies for permanent housing solutions
 - Support at least 70 families in transitioning to permanent, affordable housing within 18 months
-

4. PROGRAM STRATEGIES AND ACTIVITIES

4.1 Phase 1: Assessment and Emergency Response (Months 1-3)

Activities:

- Family identification and registration
- Comprehensive needs assessment (housing, health, education, employment, spiritual)
- Emergency shelter provision through partnerships with local facilities
- Distribution of emergency relief supplies (food, clothing, hygiene kits)
- Initial spiritual counselling and family assessment sessions

4.2 Phase 2: Stabilization and Capacity Building (Months 4-12)

Activities:

- Family case management with assigned family coaches
- Vocational skills training programs (tailoring, carpentry, food services, etc.)
- Financial literacy and life skills workshops
- Children's education enrollment and support
- Health clinics and medical referrals
- Prayer and spiritual formation groups
- Income-generation support (small business starter kits, cooperative formation)

4.3 Phase 3: Transition and Sustainability (Months 13-24)

Activities:

- Job placement and employment support services
 - Permanent housing transition assistance
 - Follow-up mentorship and accountability groups
 - Family reunification and relationship restoration programs
 - Community reintegration support
 - Alumni network establishment for peer support
 - Program evaluation and documentation
-

5. TARGET BENEFICIARY SELECTION CRITERIA

Families will be selected based on:

1. **Homeless Status:** Currently without permanent residence
 2. **Family Structure:** Priority to families with children, single-parent households, and persons with disabilities
 3. **Willingness:** Demonstrated commitment to participate fully in program activities
 4. **Geographic Location:** Residing within the designated intercommunity target area
 5. **Vulnerability Assessment:** Level of need based on a comprehensive assessment tool
-

6. IMPLEMENTATION APPROACH

6.1 Partnership and Collaboration Strategy

Local Organizations:

- Collaborate with shelters, food banks, and social service agencies
- Partner with vocational training institutions and employers
- Engage healthcare providers for medical services
- Work with educational institutions for children's enrollment

Government Agencies:

- Coordinate with social welfare departments
- Engage housing authorities for permanent housing solutions
- Partner with employment services for job placement

Faith-Based Community:

- Mobilize Global Intercessors Family Network for prayer support
- Engage other churches and faith communities for resource sharing
- Develop interfaith collaboration for maximum impact

6.2 Case Management Approach

Each family will be assigned a dedicated case manager who will:

- Conduct comprehensive family assessments
- Develop individualized family action plans
- Monitor progress and adjust interventions as needed
- Connect families with appropriate services and resources
- Provide ongoing encouragement and accountability

6.3 Quality Assurance

- Regular monitoring and evaluation of program activities
 - Monthly case review meetings with program staff
 - Quarterly stakeholder feedback sessions
 - Adherence to best practices in homeless services
 - Documentation of lessons learned and success stories
-

7. CHRISTIAN CENTRE FOR TALENT AND GIFT NURTURING

7.1 Vision and Purpose

As part of the Homeless Family Care Program, we propose creating a Christian Centre for Talent and Gift Nurturing within our accommodation facility. This centre will serve as a transformative space where beneficiary families—especially youth and children—can discover, develop, and deploy their God-given talents and spiritual gifts.

The centre embodies our holistic approach to family restoration, recognizing that true empowerment goes beyond meeting physical needs to nurturing the intrinsic potential within every individual created in God's image.

7.2 Core Objectives

Spiritual Formation and Gift Discovery

- Provide structured spiritual formation programs that help individuals identify their spiritual gifts
- Conduct gift assessment sessions using biblical frameworks (Romans 12, 1 Corinthians 12, Ephesians 4)
- Facilitate mentorship connections with mature believers who model gift deployment
- Create space for prayer, worship, and prophetic encouragement

Talent Identification and Development

- Conduct comprehensive talent assessments across multiple domains (arts, music, trades, technology, leadership)
- Provide age-appropriate talent development workshops and training
- Connect talented individuals with specialized coaches and instructors
- Document and celebrate individual progress and achievements

Skills Training and Vocational Preparation

- Bridge talent discovery with practical vocational skills development
- Offer certification programs in identified talent areas
- Provide work-readiness training that leverages individual talents
- Create pathways from talent nurturing to employment opportunities

Character and Leadership Development

- Integrate Christian character formation into all talent development activities
- Provide servant leadership training rooted in biblical principles
- Create opportunities for emerging leaders to serve and mentor others
- Build confidence, resilience, and a godly self-image

7.3 Centre Facilities and Infrastructure

The Christian Centre for Talent and Gift Nurturing will be housed within the accommodation facility and will include:

Multi-Purpose Training Hall (200 sq m)

- Flexible space for workshops, seminars, performances, and gatherings
- Audio-visual equipment for presentations and media training
- Movable furniture for various configurations

Creative Arts Studio (80 sq m)

- Visual arts supplies and workstations
- Music instruments and practice spaces
- Drama and performing arts area
- Display space for showcasing creative works

Technology and Skills Lab (60 sq m)

- Computer workstations with relevant software
- Equipment for digital skills training (graphic design, video editing, coding)
- Tools and equipment for practical trades training
- Internet connectivity for e-learning access

Prayer and Reflection Chapel (40 sq m)

- Quiet space for prayer, meditation, and spiritual direction
- Small group meeting area for discipleship and gift discernment
- Resource library with Christian formation materials

Counseling and Mentorship Rooms (3 x 15 sq m)

- Private spaces for one-on-one mentorship sessions
- Gift assessment and career counselling
- Family counselling and support services

7.4 Program Activities and Schedule

Weekly Programs:

- Monday-Friday Mornings (9 am-12 pm): Skills training workshops (rotating schedules for different age groups)
- Monday-Friday Afternoons (2 pm-5 pm): Talent development sessions (arts, music, technology, trades)

7.9 Expected Outcomes and Impact

Quantitative Outcomes (24 months):

- 200+ participants engaged in talent discovery programs
- 150+ participants complete at least one skills certification
- 80% of participants demonstrate measurable improvement in identified talent areas
- 60+ participants identify and actively develop spiritual gifts
- 40+ participants transition from training to employment/ministry deployment
- 100% of beneficiary families have at least one member engaged in centre programs

Qualitative Outcomes:

- Enhanced self-esteem and godly identity among participants
- Discovery and activation of spiritual gifts for kingdom service
- Strengthened family relationships through shared talent development experiences
- Creation of a vibrant, hope-filled community culture within the accommodation facility
- Demonstration of the church's commitment to holistic family empowerment
- Development of role models and mentors from within the beneficiary community

Long-term Kingdom Impact:

- Transformed lives equipped for both marketplace and ministry effectiveness
- Generational cycle-breaking through talent and gift deployment
- Raised spiritual leaders and ministers from formerly homeless families
- Reproducible model for church-based talent nurturing in vulnerable communities
- Visible testimony of God's redemptive power and purpose for every life

7.10 Integration with Overall Program

The Christian Centre for Talent and Gift Nurturing is not a standalone program but is deeply integrated with the overall Homeless Family Care Program:

Connection with Economic Empowerment (Objective 3):

- Talent development directly feeds into vocational training pathways
- Skills certifications increase employability and income potential
- Entrepreneurship training leverages identified talents for business creation

Connection with Spiritual Restoration (Objective 2):

- Gift discovery deepens spiritual formation and church integration
- Service opportunities through the centre provide ministry deployment experiences
- Mentorship relationships model Christian discipleship

Connection with Education (Objective 4):

- After-school programs support academic achievement
- Talent development enhances educational engagement and motivation
- Scholarship pathways for gifted students pursuing higher education

Connection with Housing Transition (Objective 6):

- Increased earning potential through talent-based employment accelerates housing stability
- Alumni network provides ongoing community support after housing transition
- Developed talents enable families to contribute meaningfully to new communities

7.11 Sustainability and Scalability

Financial Sustainability:

- Social enterprise initiatives (selling products/services created by participants)
- Fee-for-service programs for the external community (sliding scale)
- Alumni giving and sponsorship programs
- Corporate sponsorships and equipment donations

Program Sustainability:

- Train-the-trainer model, developing instructors from advanced participants
- Peer mentorship programs reducing dependency on external facilitators
- Integration with the church's ongoing discipleship and ministry structure
- Alumni volunteers returning to serve new beneficiaries

Scalability and Replication:

- Documented curriculum and training materials for replication
 - Training programs for other churches wanting to establish similar centres
 - Franchise/partnership model for expanding to other regions
 - Online components enabling broader reach beyond the physical facility
-

13. CONCLUSION

The Global Intercessors Family Network Homeless Family Care Program represents a holistic, compassionate, and sustainable approach to addressing homelessness in our community. By combining spiritual guidance, practical support, talent and gift nurturing, and collaborative partnerships, we are confident we can transform the lives of 100 families and create a lasting impact on our community.

The addition of the Christian Centre for Talent and Gift Nurturing positions this program as a truly transformative initiative that not only meets immediate needs but also unlocks the God-given potential within every individual and family we serve.

Life Spring Dominion Church International, through this initiative, demonstrates the vital role of faith-based organizations in community development and social justice. We commit to implementing this program with excellence, accountability, and unwavering dedication to the dignity and restoration of every family we serve.

We invite you to partner with us in this transformative journey—whether through financial support, in-kind contributions, volunteer engagement, or prayer partnership. Together, we can restore hope, rebuild families, nurture God-given talents, and create a community where no family is left behind.
